

MEMORANDUM

To: Wheat Breeders and Seedsmen

From: Esten Mason

Date: 14 August 2018

Re: Entries for the 2018-2019 Arkansas Wheat Cultivar Performance Tests

It is time again to submit your entries for the Arkansas Wheat Cultivar Performance Tests. Trials will be conducted at seven locations representing the wheat growing regions of the state (Hope, Keiser, Kibler, Marianna, Newport, Pine Tree and Rohwer). At all locations, management of the trial will be customized to obtain high yields, including the use of fungicides on some tests. The wheat entry fee will total \$700.00 per entry for all tests.

Please submit your entry form by **September 10, 2018**. This can be done via email, regular mail or by fax. Seed must arrive by **September 21, 2018**. **If you are unable to meet the deadline, please contact me.**

If you need any additional information, please call (479) 575-5725 or e-mail at esten@uark.edu. Additional forms may be downloaded at www.ArkansasVarietyTesting.com in the small grains section. Thank you for your cooperation in the past and please let us know how we may better serve you in the future.

****Entries are allowed both a fungicide and insecticide treatment but must be labeled as such with chemical names for the safety of workers processing the seed. ****

SEND APPLICATIONS, SEED AND PAYMENT TO:

ARKANSAS WHEAT BREEDING PROGRAM
115 PLANT SCIENCES BUILDING
FAYETTEVILLE, AR 72701
